### 406 MHz Distress Beacon Registration

(Australian coded beacons only)

# You do not need to use this form if you register on-line at <a href="https://www.amsa.gov.au/beacons">www.amsa.gov.au/beacons</a>

#### This is the preferred method of registration

This form is to be used for registering 406MHz Distress Beacons that are coded with Australian codes.

#### Registration is Free

Submit this form to:

Email: ausbeacon@amsa.gov.au

Information contained in this form is critical to your safety and to successful search and rescue (SAR) response:

- You may use this form to register a maritime distress beacon (EPIRB), an aviation distress beacon (ELT) or a personal locator beacon (PLB).
- When entering information, you must include details in the following sections:
  - Distress Beacon details;
  - Owner/Operator details;
  - 24 Hour Emergency contact details;
  - Purchase details; and
  - Vessel, vehicle or aircraft details.

If you require assistance with completing this form, please contact the Beacon Registration Section:

Email: ausbeacon@amsa.gov.au

Phone: +61 2 6279 5766 or 1800 406 406

#### **Definitions**

- ELT Emergency Locator Transmitters are distress beacons that are fixed in aircraft.
- EPIRB Emergency Position-Indicating Radio Beacons are for maritime use and designed to float upright in water.
- PLB Personal Locator Beacons may be used as personal distress beacons in all environments. They are not designed to float upright in water but may be carried to supplement a vessel's EPIRB.

#### **PRIVACY STATEMENT**

The Australian Maritime Safety Authority (AMSA) collects this information for the purpose of assisting search and rescue operations through the registration of your beacon or your MMSI. AMSA collects this information in accordance with its functions under the *Australian Maritime Safety Authority Act 1990*. The information may be passed to other government agencies assisting in search and rescue operations. AMSA will use your contact details, including your email address and mobile phone number, to prompt you to update your registration details and for other purposes related to maintaining your registration. Failure to provide the information may result in delays processing your registration. To contact us, or for more information on how to access or correct your personal information, how to make a privacy complaint, or how your information may be used or disclosed, refer to the contact details shown on this form.

## 406 MHz Distress Beacon Registration

(Australian coded beacons only)

Please Note: Mandatory fields are marked with an\*

Other fields are optional, but will greatly assist with the coordination of a search and rescue response
