

Australian Maritime Mobile Service Identity (MMSI) Application

You do not need to use this form if you apply on-line at
<https://www.beacons.amsa.gov.au/>

This is the preferred method of application

WHEN TO USE THIS FORM

Register for an Australian Maritime Mobile Service Identity (MMSI) number, if you own the following types of equipment aboard a recreational or commercial maritime vessel, coast station or Search and Rescue (SAR) Aircraft:

- a Fixed HF MF DSC radio
- a Fixed VHF DSC radio
- a Handheld VHF DSC radio; or
- a Fixed AIS transceiver

Registration is **FREE**.

MMSI for AIS shore stations

If you require an MMSI for an AIS base station, repeater, AIS Aids to Navigation, etc, **PLEASE USE [AMSA FORM 234](#)**.

PROFICIENCY CERTIFICATES REQUIRED

To be eligible for issue of an MMSI number you must have obtained one of the proficiency certificates listed below:

- Australian Waters Qualification (AWQ)
- GMDSS First-Class Radio Electronic Certificate (1st Class REC)
- GMDSS Second-Class Radio Electronic Certificate (2nd Class REC)
- GMDSS General Operator's Certificate of Proficiency (GOCP)
- Restricted Radio Operator's Certificate of Proficiency (RROCP)
- Long Range Certificate (Marine Radio Operators Certificate of Proficiency – MROCP)
- Short Range Certificate of Proficiency (Marine Radio Operator's VHF Certificate of Proficiency – MROVCP)

Note 1: If a MF/HF Fixed radio is aboard you must register the radio with the Australian Communications and Media Authority (ACMA), and have an Australian radio callsign before applying for a MMSI number.

Note 2: Marine radio operator qualifications are not required for AIS on SAR aircraft.

Note 3: AWQ is accepted for VHF and AIS operating in Australian waters only.

Note 4: Diver Handheld VHF DSC transceivers – marine radio operator qualifications are not required if the radio operator in the diving boat (mother vessel) is qualified. In the case of lone divers not operating from boats, the requirement for a marine radio operator certificate remains.

HOW TO FILL IN THIS FORM

If the radio equipment is for a **maritime vessel** – Complete sections A, B and E

If the radio equipment is for a **coast station** – Complete section A, C and E

If the radio equipment is for a **SAR aircraft** – Complete sections A, D and E
